

PULL-OUT 3

AEROSOL STAIN LIFTER

PULL-OUT 3 has changed the state-of-the-art of stain removal and has just enhanced and improved the safety of your employees by light-years!

NO CHLORINATED SOLVENTS... SUCH AS, PERC, METHYLENE CHLORIDE, TRICHLOROETHYLENE, etc.

Similar in many ways to **PULL-OUT 2** and **PULL-OUT PREMIUM**, in terms of how it works in removing the “ring” or “circle” that appears in some fabrics after the initial fabric stain has been removed and treated with a solvent cleaner through a spray gun. Also a great stand-alone spotter.

- Available with your name or ours
